#### INTRODUCTION

Welcome to Woodbridge Primary School.

We look forward to your involvement with Woodbridge Primary School. We trust that a close and effective working relationship between the school and the home can be established in order to ensure the satisfactory and continual educational development of your child.

We see the home and the school as playing a vital role in the overall development of the child. A strong school/home partnership and positive parent/teacher relationships are fostered.

We have a mixture of experienced and graduate teachers who have a reputation for being caring, committed and responsive.

If you have any concerns please feel free to see your child's teacher in the first instance. All members of staff look forward to working with your child and serving the community.

#### SCHOOL PHILOSOPHY

Our philosophy is to provide, with the resources available, a caring, encouraging and nurturing school environment. We cater for the holistic needs of the child – academic, social, emotional and physical. This is achieved through the development of programs that are tailored to meet the individual needs of each child. In addition, we believe that through relationship building we are in an excellent position to monitor and enhance the positive and constructive development of the child.

#### **SCHOOL MISSION**

The purpose of Woodbridge Primary School is to maximise the opportunities for our students to develop the understandings, skills and attitudes relevant to individual needs, thereby enabling them to fulfil their potential. This is the school mission statement and underpins the principles guiding the school's management and operations.

#### **SCHOOL VISION:**

#### Woodbridge Primary School aspires to be the most caring and encouraging community school.

This vision encompasses all aspects of the child's development by providing opportunities and encouragement to become a collaborative and independent learner and allows parents to actively participate in that learning process. Every child will have the learning opportunities and guidance to achieve their full academic, social and creative potential. Our vision has been developed in full consultation with staff, students and parents.

#### **ABSENCE**

At Woodbridge we have a **Safe Arrival Program**. Parents are asked to text, send a connect absence or ring the school before 8.45am to let us know if your child will be absent from school for the day. The teacher is then notified. This means that by working together, as a team, we can ensure that your child arrives safely at school each day. If you do not notify the school, you will receive an SMS regarding the absence. Please reply to the number, including the student's name, date of absence and reason for absence. Do not call the number as it is an automated system, which is not manned by a person.

We appreciate your support in this matter.

#### ALLERGY FRIENDLY SCHOOL

Woodbridge Primary School has a number of children who present with severe allergies to a variety of substances, including food and insect bites; known as anaphylaxis. Please note that Woodbridge is an 'Allergy Friendly' school and undertakes a number of measures to minimise the risk for a student with anaphylaxis. It is requested that children do not bring food items which contain nuts, for example; peanut butter, Nutella and nut bars.

Your assistance with this matter will ensure all children are kept safe.

#### **ASSEMBLIES**

A nominated class or classes present an assembly item once per year. The dates of assemblies will be advised via the Newsletter. Assemblies are on selected Wednesdays.

#### **BEHAVIOUR MANAGEMENT**

The vast majority of students behave appropriately both in the classroom and in the playground. There is a small group of students needing support to improve their behaviour and focus on safe play and respect for themselves and each other. The school has behaviour management plans for these students that are inclusive of school and parent input. The school's Student Behaviour Policy can be obtained from the front office.

#### **BOOKCLUB**

Mrs Suraya Drabarek (School Librarian) co-ordinates the ordering of books through the Scholastic Book Club. There are usually two releases of books per term. Payment for Book Club can be made by bank transfer, eftpos of cash. Place your order in the box provided at the front office. Thank you.

#### **CANTEEN**

The canteen is coordinated by the Licensee and the School Board. The canteen is open Monday – Friday for recess and lunch. The menu is now available online at <a href="www.woodbridgeps.wa.edu.au">www.woodbridgeps.wa.edu.au</a> or from the front office. Ordering may be made through the Spriggy Schools app.

#### PARENT CONTRIBUTION

Woodbridge is in the privileged position of having facilities that are relatively new. In order to maintain and enhance these facilities and associated programs the school needs to supplement the funding it receives from the Government. To that end the School has endorsed the following School Voluntary Contribution for 2023:

- \$60.00 for one child
- \$120.00 for two or more children.

#### **EXCURSIONS / EDUCATIONAL VISITS**

Excursions and educational visits are undertaken from time to time as part of the educational program.

Parents will be informed of these before they take place. It is **important** that parent **permission notes** are signed and returned with any monies required. If full payment is difficult, please discuss part payments with the administration staff or your child's class teacher.

#### **DENTAL CLINIC (GUILDFORD)**

Children attending Woodbridge Primary School are able to be cared for at the Guildford Dental Clinic. Appointment cards for check-ups and treatment are handed out through the school and year level screenings occur regularly.

It is important that if an appointment time is inconvenient the therapy centre is contacted to arrange a more suitable time. Your co-operation in the handling of appointments will ensure that this excellent service operates efficiently. **Dental Clinic number is:** \$\alpha\$ 9279 5869.

#### **HATS**

Children **MUST** wear hats whenever outside.

The school has a **NO** hat **NO** play policy. Wide brimmed hats and desert type hats are recommended by the Cancer Council. If children do not have a recommended hat, they must sit in the shade or play in the undercover area. This precaution is to protect your child from serious damage that can be caused by exposure to the sun.

#### **HEADLICE**

Head lice/nits live only on human beings. Lice lay eggs on the hair, very close to the scalp.

#### To help prevention of infestation -

- 1. Brush hair twice a day with a brush that brushes the scalp. This injures lice and deters them from breeding.
- 2. Have long hair tied back.
- 3. Check hair for eggs/lice at least once a week. Friday allows the weekend for treatment.
- Inform school of infestation.

Information on treatment is available from the school or chemist.

#### **HEALTH**

Parents will be advised if their child requires attention. Minor playground injuries during the day are normally attended to at school. The school does have basic sick room facilities, but when a child is ill/injured every effort is made to contact a parent/guardian so that the sick child can be collected from school. In **extreme emergencies** the child may be taken to a doctor or hospital.

In the event of an outbreak of childhood disease parents will be notified. In the event of a more serious outbreak (i.e. notifiable disease) the Health Department take over the control of the disease and dissemination of information.

#### **SCHOOL HEALTH SERVICES**

A community nurse, visits the school regularly throughout the year.

- ✓ Ideally children should arrive between 8.30am and 8.45am.
- ✓ Please ensure that children are at school at least 10 minutes before the start of the day so they can get ready and be prepared to start promptly at 8.45am.
- ✓ Children arriving before 8.30am are required to sit in the undercover area. They will be supervised from 8.15am until 8.30am then dismissed to classes.

#### After School:

Students not making their own way home need to be picked up promptly at 2.45pm or wait on the lawn area outside the office. After 3pm they will be in the office and need to be collected from this area.

#### **KINDY & PRE PRIMARY**

Parents need to hand their children to the classroom teacher or education assistant at 8.30am, the commencement of the school day. Students are NOT to be left on their own outside the classroom and are not to use the play equipment. At the end of the day children will be handed to an adult at 2.45pm. Their care then becomes the responsibility of that adult. Please note if you are personally not collecting your child you must notify the teacher of the changes in advance.

#### The Kindy programme is for children who turn 4 by 30 June of the year they attend.

The structure of the Kindergarten will revolve around developmental play. Our aim is to make learning as much fun as possible, within a stimulating and challenging environment. We have a variety of indoor and outdoor experiences each day including computer and music. There is a high degree of integration with the primary area of the school.

#### **LOST PROPERTY**

Most schools have a problem returning lost property to its rightful owner. A lost property box is kept at the school in the medical room and articles of clothing etc. are deposited if no owner is found.

Please help us to return lost articles to their rightful owners by seeing ALL "removable" articles are *clearly named*.

#### **NEWSLETTERS**

These are published on a Friday, **once every three weeks**. Please read the newsletter carefully. It explains the events at school and your child's part in them. The newsletter is sent home electronically via email and Connect. It is also available on the school's website.

#### PARENT / TEACHER COMMUNICATION

The communication between parent and teacher is considered essential for creating and maintaining understanding between the home and the school.

Parents are very welcome at school. The Principal and staff are always willing to meet you and discuss progress or problems. Guidelines have been set down to ensure that interviews are not interrupting teaching time, as teachers must not leave their classrooms to talk to parents. Parents are asked to contact the class teacher for a *mutually* agreeable time.

#### **PARKING**

Parking for parents is provided at the front of the school on Archer Street. For the safety of students it is the Education Departments' policy that access to the school drive way is limited to staff and service vehicles ONLY.

If the teacher has any concerns they will discuss these with you first, with any referral requiring informed parental consent.

#### SCHOOL RECORDS - INFORMATION

It is **very important** to advise the school as soon as possible with any changes of address, telephone number, emergency contacts or medical records. This information is to be given to administration staff in order for changes to be made to the database.

#### SCHOOL REQUIREMENTS

Lists of classroom requirements are distributed to all students. For newcomers to the school, lists will be given as required. Quotes are obtained regularly to determine the supplier.

- Shoes are to be worn for safety reasons (no thongs, scuffs)

The Minister for Education has also declared that denim will not be allowed to be part of the school uniform.
