From the Principal

Dear Parents and Friends

A final reminder that the children will be dismissed at 12 noon tomorrow for our Parent meetings. You should have received a letter from the class teacher confirming your interview time. Also remember that the times for Rooms 7 and 12 are on different days. Don't forget to visit the Book Fair in the library as this will be the last day. The canteen will be open on Wednesday for recess but there will be no lunch orders.

Newsletter Online

As of next term the Newsletter will be distributed via Connect. There will be a few copies in the office for those who want to collect a paper copy. You can still be part of Connect. All you have to do is leave your email address at the office and you will be sent an invitation.

National Data Collection

The Nationally Consistent Collection of Data on School Students with Disability is a compulsory annual collection that counts the number of school students receiving an adjustment to their schooling due to disability and the level of reasonable adjustment they are receiving. Personal details, such as student names or other identifying information, are not provided to local or federal education authorities.

For the purposes of the national data collection, students with learning difficulties (such as dyslexia or auditory processing disorder), chronic health conditions (such as epilepsy or diabetes) that require monitoring and the provision of adjustments by the school, or other physical, cognitive, sensory or social/emotional disabilities, may be included. If you wish to find out more, please speak to Mrs Goodman.

Cross Country

Congratulations to all the students who represented our school last Wednesday. A huge thank you to all the parents who provided transport and cheered the children on during the races on the day. Mrs Bryden is again to be congratulated on the fantastic opportunities she provides for students in the sporting areas in which they excel. Thanks to the staff who helped provide the special breakfast for the runners and reserves on Wednesday morning.

It's amazing to think the ten weeks of Term 2 have passed and we are at holidays again. Enjoy the time with your children and return to us on Tuesday 18th July healthy and ready for another very busy term. A couple of dates for your diaries:

Friday 18th August: Athletics Carnival
Monday 18th September: Art Exhibition
