

# Woodbridge PS End of Term 2 2024

A message from the Principal

Welcome to our end of term newsletter, highlighting some great achievements and important information.

### **Assembly**

Wednesday's Presentation Assembly was the perfect way to conclude the term. It was an awesome opportunity to showcase our dance program and recognise student achievement throughout Semester 1. A big thank you and well done to those students who took to the stage and performed for us from Rooms 1, 2, 3, 4, 5, 12, 13 and 14. Thank you also to Mrs Roads for her efforts to choreograph the items and prepare the students for their performance. Well done to our parents and carers who were able to provide costumes – your children looked amazing!

### **PBS Movie Day**

Well done to all students who have worked hard to earn acknowledgement for displaying our 4 Expectations. The whole school combined effort to do so has meant students easily reached their goal of 100,000 points. This qualified the students for a whole-school PBS Acknowledgement, which in this case was a movie opportunity. Students were able to wear their pyjamas to school today and bring along a blanket and/or pillow to make them comfortable whilst they enjoyed watching the chosen movie. Congratulations to everyone!

### **Student Semester 1 Reports**

A report for each student in PP-Year 6 was made available this week to parents via an email link and on Connect. Please take the time to sit and read your child's report with them. Please discuss their achievements and improvements made and discuss opportunities for growth for Semester 2.

### **Recording Studio Visit**

I had the pleasure of attending a recording studio with a selected group of senior students and Mrs Galley this week. The students sang the birthday songs that our classes had written in music classes with Mrs Galley. Producers, Josh Greave and Andy Worung, from Riverview Church, worked with the students to record all of the songs. It has been an exciting opportunity for students to see a song produced to the point of release. These songs will be played as part of our 90th Anniversary celebrations.

### **Room 9 Staffing Update**

We are pleased to advise families from Room 9 that Miss Tahnee Middleton will continue to work with us two days per week, for the remainder of the year, with Mrs Steele continuing to work the other three days of the week.

### **Cross Country**

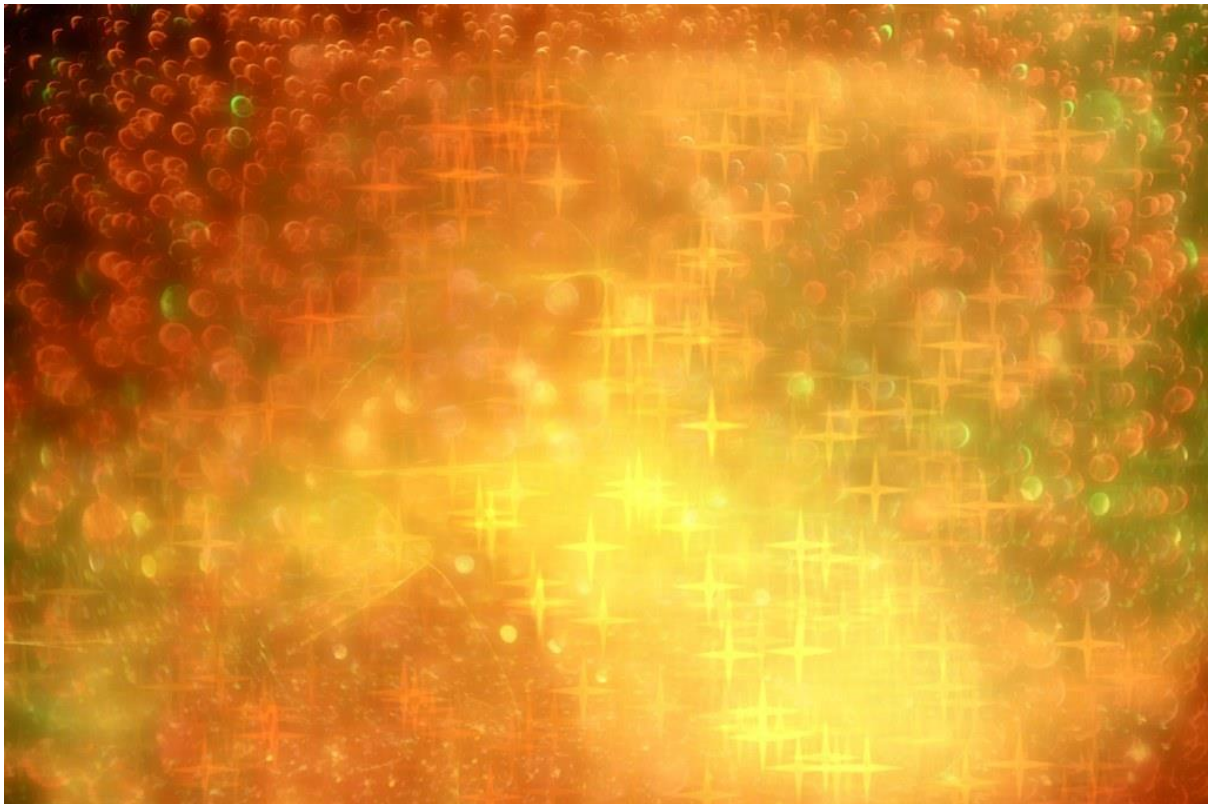

Since our last newsletter, our Cross Country Team participated in the interschool event at Guildford PS. Well done to all members of our team for their efforts to perform at their best.

Congratulations to Liam and Milah who attained a place in their age race. Thanks to Mrs Bond, Mrs Bannani and Mr Guy for their efforts to train our students and/or support them on the day!

### **Happy Holidays!**

I take this opportunity to wish all families a safe and happy holiday over the mid-year break. We look forward to seeing all students return for school on Monday 15th July, ready for a busy fun-filled Term 3!

## 90th Birthday Celebration Planning

We are looking for former students who attended our school many moons ago! (anytime before 2004) Please contact us via [woodbridge.ps@education.wa.edu.au](mailto:woodbridge.ps@education.wa.edu.au)

We look forward to hearing from you.

To help celebrate our 90th birthday this year, Woodbridge Primary School will be showcasing our wonderful kids' talent. We will have our Woodbridge Has Talent show in the under covered area during the afternoon of Friday 25th of October.

Student auditions will not take place until the middle of term 3, but maybe its time for them to dust off that magic set, begin singing in the shower, or get on those dancing shoes.

So start practising and Mr Noakes and the rest of the judging panel will release more information soon!!
