

WOODBIDGE PRIMARY SCHOOL

Dress Code

Woodbridge Primary School aspires to be the most caring and encouraging community school

Updated April 2018

The Woodbridge Primary School – School Board, in consultation with parents, has established a dress code for all students attending the school.

PURPOSE OF THE DRESS CODE

The Woodbridge Primary School – School Board believes a school dress code:

- Gives the students a sense of unity, belonging and pride in their school, which assists in building school and team spirit.
- Ensures that students are safely dressed for school activities and the environment.
- Clearly identifies Woodbridge Primary School students.
- Fosters and enhances the public image of the school.
- Encourages equity by minimising competition between students to wear more expensive or fashionable clothing and the pressure on parents to purchase this type of clothing.
- Ensures compliance with Department of Education requirements.

MODIFICATION TO THE DRESS CODE

Parents of students who for religious, cultural or health reasons may need to modify the school dress code are required to discuss this with the Principal. Staff members will be informed of any student granted a modification to the dress code. Requests for short term amendments should be discussed with class teachers.

SANCTIONS FOR NON-COMPLIANCE

Students not following the dress code will, in the first instance, receive counselling by the Teacher, Principal or Principal's nominee on the benefits of complying with the dress code. If this action fails to elicit compliance then:

- The Parents/Guardian will be contacted, whereby parents will be asked to ensure that the student complies with the Dress Code.
- Assistance/support will be provided for parents/caregivers to obtain suitable clothing if necessary; and as a last resort,
- Exclusion from participation in extra curricular or non essential activities may be applied.

AVAILABILITY OF DRESS CODE ITEMS:

To assist parents/caregivers to meet the Dress Code – the Woodbridge Primary School – School Board will endeavour to ensure that:

- Second-hand clothes are available at the Uniform Shop or an alternative supplier.

Parents/guardians having financial difficulties regarding the purchase of a uniform should contact the Principal to discuss the situation.

Parents purchasing school uniforms from alternative suppliers may do so for reasons of alternative material choice or financial hardship. The current school colours and uniform style must be adhered to.

WOODBIDGE PRIMARY SCHOOL DRESS REQUIREMENTS:
